About Product

SIGNAGE CIRCUS is the India's first provider of full color digital ink displays. The digital ink technology offers full-color, full-motion, high resolution and high contrast images that use ambient light to enhance image quality and visibility just like ink on paper.

The main advantage of Digital ink billboards in comparison with common billboards is an ability to change contents at any period of the day. Changing of contents on Digital billboard is much easier as it can be done through Internet connection. Client doesn't need to waste time and money for production of poster as well.

Features:

- ◆ Digital LCD Billboard Replaces existing paper billboards at premium locations.
- ◆ Multi advertising messages at one place
- ◆ Reduction of Pollutants (Replace printing, Transport & disposing of posters and vinyl prints, etc)
- ◆ Natural look of visuals.
- ◆ Environmentally-friendly
- ◆ Full-color, full-motion, high resolution capabilities
- ◆ Wide-viewing angles
- ◆ Scalable design
- ◆ Low-power consumption

Ideal For :

Airports, Highways, Sports Stadiums, Trade shows & Events, Advertising Vehicles, etc.

414/415, 4th Floor, Plot No.2, Commodity Exchange Bldg., Opp. APMC, Sector-19A Vashi, Navi Mumbai- 400 705.
