

### Introduction to product features

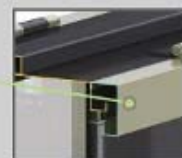

Automatic Control Scrolling System

- Stronger integrated frame with steadier structure; Waterproof door frame
- Automatic control scrolling system, makes canvas more steady while rolling; numerical programming, more convenient and easy to control.

Stronger Integrated Frame

Waterproof Doorframe

Door Frame Support Bar

High-performance Motor

- Power of screen scrolling is from high class motor which is powerful, safe and reliable, no noise, and with longer service life.

TYPE	COLOR		CUBAGE(liter)	
F-01K5		Color	Cubage type	Cubage
	Barrelhead	Champagne Gray	Recyclable	36 (L)
	Bucket	Champagne Gray	Other waste	36 (L)
	Upright column	Gray Black	Butt collection	1. 1 (L)
	Liner	Stainless steel	Waste battery collection	1. 1 (L)
			Total cubage	74. 2 (L)

The above color blocks are different from the real colors of the product.

TYPE F-01K5 ALL FUNCTION TYPE

High Quality Tempered Glass

- High quality tempered glass, 3C certification approval, with steady quality and high safety, significantly prevent the glass from heating-break.

Reliable LED Control System

- With ventilation device, can effectively improve motor lifetime.

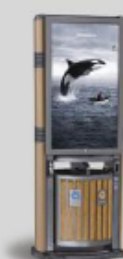

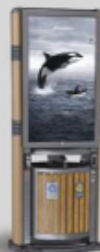

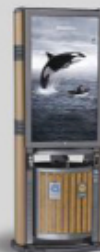

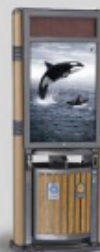

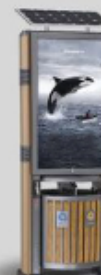

Ventilation Device

- Perfect design, rotating handle convenient for cleaning, with butts and batteries windows on both sides; good looking appearance after mould process.

**Wood Grain Plastic**

Wood Grain Plastic is a new kind of environment friendly material, with superior weatherability and aging resistant, without deformation, depigmentation or clefts after a long time of outdoor use, service life is longer than high class timber.

**TYPE F-01K5A ALL FUNCTION TYPE**

**signage circus**

Automatic Control Scrolling System

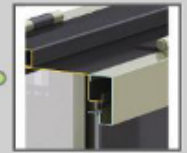

High-performance Motor

Stronger integrated frame with steadier structure; Waterproof door frame

Automatic control scrolling system, makes canvas more steady while rolling; numerical programming, more convenient and easy to control.

Stronger Integrated Frame

Waterproof Doorframe

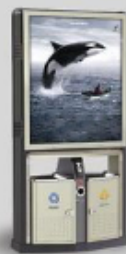

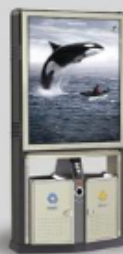

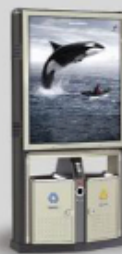

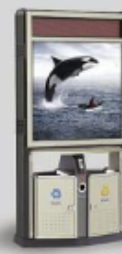

Door Frame Support Bar

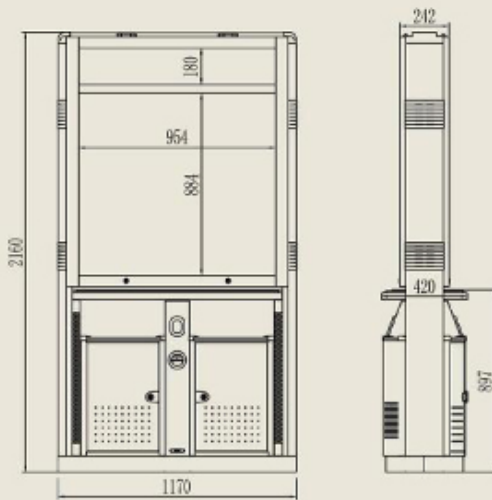

Power of screen scrolling is from high class motor which is powerful, safe and reliable, no noise, and with longer service life.
